### OUR ADVISORY COMMITTEE—

Spiritual Mobilization is proud of its Advisory Committee. Its Chairman, Dr. Cowling is widely known and respected as a "Champion of Freedom."

Ours is believed to be the strongest and most representative Advisory Board in any similar program.

It continues to credential the movement and its philosophy. The Board is unanimously convinced that the Fight for Freedom will be won or lost at the spiritual level and that the clergymen of the nation may be a factor of determinative importance when the showdown comes.

### DIRECTOR'S REPORT

The year 1946 was significant for Spiritual Mobilization. Competent appraisers feel this Crusade has made important contributions to the awakening interest in Freedom.

The election terminated some phases of the anti-freedom trend but the real Fight for Freedom is still to be won. The next two years are likely to be of epochal importance.

Plans for gathering our necessary income were prepared by our Business Men's Advisory Committee. They have not worked out as rapidly as was expected but we are hopeful about them.

A Department of Negro work was inaugurated and is proving most important. It is under the competent direction of a Negro Clergyman.

The monthly Bulletin goes to 101,000 pastors of all denominations, nationwide. We now advertise in 74 religious magazines each month.

The ten thousand signed Representatives, promised at the New York meeting last June, will have been secured by Easter, 1947—the date then set.

We shall continue to hold our twelve-year-old emphasis during 1947 and hope to be increasingly effective in the Crusade for Freedom. We hope our friends will help interest other new support to permit needed expansion.
